Gafisa S.A. announces new date for release of its annual 2011 financial results

São Paulo, April 2, 2012 – Gafisa S.A. (Bovespa: GFS3; NYSE: GFA) announces the postponement of the release of its 2011 annual financial results as well as the related earnings release and guidance for the current fiscal year.

We have been engaged in a comprehensive review of our operations and business strategy, including material operational changes, a reduction in businesses involving the Tenda brand, an increase in investments in the Alphaville brand and a focus on the Gafisa brand in markets with higher profitability.

As a result of this comprehensive review, we have revised the budgets for our construction sites and conducted a full review of Tenda's client portfolio in order to confirm the suitability of such clients with the criteria established for qualified lending by financial institutions. We have also conducted a review of the potential value of land located in non-priority areas.

Our management has been focused on this complex review during the last couple of months in order to achieve more profitable operations for this current fiscal year. We have renewed our focus on each of our business segments by assigning an executive officer for each brand.

At the same time, however, this process has required a more thorough analysis and extensive interactive process between our management and external auditors, which despite our collective best efforts, have not allowed for the annual audit to be concluded on a timely basis.

A more detailed analysis as well as a preview of the 2011 financial results, still subject to change, is being posted on our investor relations website at www.gafisa.com.br/ri, the websites of the Brazilian Securities Exchange Commission (*Comissão de Valores Mobiliários*), or the CVM (www.cvm.gov.br) and the Brazilian Stock Exchange (*Bolsa de Valores, Mercadorias e Futuro*), or BM&FBOVESPA, both through the IPE system.

The complete financial statements together with the audit opinion are currently being finalized and will be released on April 9, 2012, after financial markets close, at which time our general annual shareholders' meeting will be convened.
